

BLOCK 16

Shades of Gray

Dark Print #1 (corners)	Light Print #1	Dark Print	Blue
4 - 3 1/2" squares	6 1/2" square cut in half diagonally	6 1/2" square cut in half diagonally	4 - 4" squares cut in half diagonally

Add a blue half-square to one side of the 3 1/2" corner square. Press away from the square. Add a second half-square to an adjoining side of the same square as shown in the block below. Straighten up the long edge. Be sure to leave 1/4" seam allowance so you don't cut off the corner of the square. Make 4 of these.

Add a dark half-square to two of these and a light half-square to the remaining two. Be sure to center the point of the square with the middle of the long edge of the half-square. Press well and square up to 5 1/2".

Complete 4 units and assemble as below.
