

Presidents Message:

Hello,

Things are still undecided as to whether we will be able to meet in September. I did speak to Gail at the center and it seems like it will be a last minute decision, so stay tuned for a last minute update. As you know we do not normally have an August meeting, but the Charity Committee girls have agreed to meet in the parking lot from 6-7 as we have in the past. So if you have a chance to stop by please do, we are all wearing masks and practicing our social distancing.

Charles and the Christmas stocking committee have mailed 252 stockings to date to our new contact person. Our final shipment needs to be the first week in October, so if you plan on making any be aware of the new deadline. If you are in need of a pattern

**please let someone know so we can provide one for
you.**

**The Christmas party has been booked, it will be at the
Wurlitzer building, so that is one thing we will have to
look forward to. The Quilt show will be next April 2021
so do not forget to think ahead and use our COVID
downtime to start or finish some masterpieces. The
boutique will also be in need of some hand- made
items as well, so keep on sewing.**

**With no meetings our elections and budget are kind of
on hold, but that is beside the fact because I have had
no one come forward to fill either positions. So we
may have a few bumps in the road but I am sure
things will come together in the end.**

**Hope to see everyone in September and keep your
fingers crossed,**

Karen
