

Presidents Message:

Greeting's,

It is a beautiful summer day as I write this letter, I hope everyone is enjoying it. As I type this letter we are now having a much needed soaking rain, how quickly things change. Our annual picnic will be August 3rd at 6:00pm at the Center, if you have not signed up and would like to come or have forgotten what you were going to bring please contact Mary Held. We will be having a placemat challenge this year and they will be donated to Meals on Wheels at the end of the evening.

September will be our UFO #3 reveal so we will have a great show and share. As always flying geese will be exchanged and we will have a new block for Linus to show. They are all made of scraps, squared up and put together for a top. I know for one that there are always lots of little scraps left from other blocks we are doing.

August 13th there is wool work poinsettia class, and a tentative barn quilt class in September or October so please see Dru if you are interested in either one. We need to or should be more supportive of our classes and education. It is very difficult to make arrangements and have little to no interest in. If you have any ideas or contacts it would make the job so much easier and possibly have greater attendance. So always be on the lookout for teaching of program

ideas, just pass the information along and we would have a great starting point.

Budget and Elections will be coming soon; there are two officers that are up for elections Vic President and Treasurer. So keep this in mind and think about how you would like to see the guild to move forward; IT IS YOUR GUILD so let's make it great.

Well enough of that see you in August at the picnic,

Karen

Note from Vice President

"Summertime and the livin is easy"! How well did you do at taking it easy?

First let me tell you a bit more about upcoming workshops:

1) The Wool workshop for August 13th by Cindy and Katie, has not had much response and may be canceled. If you are interested in it please let me know at the picnic.

2) The "Paint a Barn Quilt" workshop in Blasdell on September 24th looks good to go! There are two or three spots available. Let me know if you are interested.

3) Joanne Sentman will present a workshop on the quilt pattern "Baubles and Beads", on November 12th. Location is to be determined.

I for one am looking forward to our picnic in August at the Community Center. Looking forward to the variety of foods that we bring!

For September I have lined up Rae Profrock to come and share her knowledge about the Herschell Carrousel Museum. Hopefully if we can obtain a slide projector, she will have some awesome photos to show!

Looking forward to seeing you soon!
