

Presidents Message:

Happy Holidays,

How strange it is to say, the year has just flown by at the blink of an eye. I am sure everyone will be glad to see 2020 over and hopefully a better year to come. I would like to thank all of our committee chairs for their support in our parking lot “meetings” for all the time and effort they put into kitting projects to keep us busy while we were in lock down, Pam Padolfi for getting us into the mask making mood, they were donated to several facilities and our own efforts helping to keep our family and friends safe.

The Christmas party will be December 2nd at 6:00 at the Wurlitzer and I know our numbers are on the low side this year but I am sure it will be a wonderful event, and a shout out to the committee for planning it, even though we were not sure at the time if we would even be able to have it. And with that

being said do not forget about our challenge for this year “your favorite book” it needs to be completed with your number attached for judging. Stocking went out and we sent 1000 this year, wow I don’t know if that is a record but it sure sounds like our most to date, thank you Charles for getting that taken care of for the Guild.

Keep in mind over the holidays to put numbers on four unfinished projects that you would like to see done over the next year. In January I will be pulling the first number so you can start and finish prior to the March meeting. I hope everyone has a safe and healthy holiday season. I will see you either at the Christmas party or at the January meeting.

Karen

Just a reminder the block exchange basket will be up front if anyone would like to turn some in and take some new ones home.

Please use amazon smile when you shop, the guild gets money when we choose Twin City Quilters Guild, so let your family know also.

RAFFLE QUILT

Ladies and Gentlemen:

We hope you all have been healthy and busy these past months and are ready to get back into the "groove".

The Raffle Quilt Committee was also busy. We did as much as possible together but then finished with strategic social distancing.

The quilt will be at the September meeting and every meeting thereafter. We will have the tickets available also. At the meetings

**we would appreciate it if possible members take a picture of the quilt.
This way you will always have the picture with you when selling
tickets. If that's not possible please notify one of the Committee
