

Presidents Message:

Well Christmas is on its way and it will be upon us soon, our annual party will be December 1ST at The Wurlitzer Event Center at 6:00 pm, and please remember to bring your challenge project in a bag with the number attached for viewing and voting. We always have such a great variety that it amazes me as to our creativity and imagination, so if you do not have it done yet you still have time. As we wrap up another unusual COVID year I would like to thank all the members for their patients and willingness to be flexible and understanding as to the monthly changes. I hope that in January we will have a more “normal” meeting schedule, and I would also like to thank all those who stepped up when we needed something done, such a great group. In January we will start our new block exchange, have a challenge in February and a make and take at the meeting (work on our hand skills). I will be asking you to choose 4 more UFO’s for the year as we will continue our program to get things done. I know I personally did not get my 4 done but with any luck this year I will buckle down. Committee

lists should be pretty well set and we will be able to hit the New Year running.

If I do not see you at the Christmas party have a great holiday season and see you in January,

Karen

News from Your Vice President

Greetings of the seasonings!

By now I'm sure there are many completed quilt tops from Sue McKenna's workshop... Correct?

And after this weekend we will have many wool work wreaths just in time for the holidays! Many thanks to Cindy for putting together kits for us!

I received a wonderful thank you note from Doreen who presented at our November meeting about Beds from Brian. What a heartwarming tribute to her son!

Looking ahead to December and our annual Christmas dinner, I am excited to see how many completed challenges will be turned in? I actually just need to put the binding on my piece so I will be ready!

And looking even further ahead for the January meeting there will be a trunk show! We have decided to call it Colorful

Quilts by Sandy!!!! Perhaps you can already guess that that will be Sandy Wardour 😁 I am looking forward to seeing some of the many gorgeous quilts she has turned out over the years!

Peace be with you for the holidays and safe travels if you journey afar. Till we meet again,

VP Dru
