

Presidents Message: Karen McMurdo

Greetings,

First of all I would like to thank you all for your card, well wishes and prayers over the last few weeks. It warms my heart that my “Quilting family” is so thoughtful and caring.

The Holidays are over and I hope everyone was able to spend it with their families. As much as I enjoy the season I don’t mind it when I take the tree down and start a fresh for the New Year. The decorations are only up for one month, but when they come down it just looks different.

Secondly I would like to remind you that we are having a parking lot charity pick up on February 3rd from 6:30-7:00pm. So if you would like to dress warm and come and social distance for a few minutes I for one miss our group. Linus, Pink ribbon and Walker wheelchair committees will be there with kits available to keep us busy. I am awaiting a date that the Center will reopen again so we can meet in person and become a more functioning group once again. Don’t forget that you are working on UFO number 3, I hope this is giving you the incentive to complete some left behind treasures, and for the more ambitious or serious collectors of UFO try doing two.

See you in February,

Karen

Ladies and Gentlemen:

I hope everyone is save, well and Santa brings you everything you want for Christmas.

Here's hoping 2021 is more normal.
