

## **Presidents Message**

**Greetings,**

**As I write this note Christmas is 10 days away, I would like to thank the Christmas and Challenge committees for a job well done. Food and event location were great and the show and share of the finished challenge were wonderful as usual. Come January we will start our New Year with the membership draw, a new block exchange and start our UFO program again. I hope everyone who participated in the UFO program felt like they accomplished a lot during the year. In February we will be doing a make and take during the meeting and will be having a 1 hour challenge for charity on February 19<sup>th</sup>, I will have more details at the meeting. I hope everyone enjoys the Holidays and I will see you all in January.**

**Season's Greetings,**

**Karen**

**Note from Vice President**

**I am so excited about our January meeting! What a way to kick off 2022, but with Sandy Wardour and part of her quilt collection! It is bound to be an eye-popping, showstopper!**

**And then of course in February, we have Cindy Hubacher with a nice little wool work kit for each of us to make during the meeting! Cindy is another real treasure in our guild!**

**We will still be under a mask mandate as we come to the January meeting. I think we should have a contest for who has the prettiest handmade mask!**

**I know our Guild can roll with the punches to whatever 2022 may bring. Let's just hope it has good health and safety on our side....**

**Happy trails,**

**Pink Ribbon**

**Ladies and Gentlemen:**

**The holidays are here and the Pink Ribbon Committee wishes you and your loved ones, a healthy and happy holiday season. We hope Santa brings you everything you want.**

**We have been working hard and will have a lot of kits available for you at the January and February meetings next year so we hope you will help in sewing up a few pillow kits for us. Unfortunatley there is still a need and all that you do is greatly appreciated. We found there**

were 2 different size templates and we tried to trim the long pieces to match the shorter ones when we packed the kits, but there may be some we missed. So if you find your pieces are uneven, just trim the longer one to match the shorter and stitch together. The templates are all the same size now so we shouldn't have this issue in the future.

Our final count for this year is as follows:

December pillow deliveries: 64      Total for 2021: 490  
Grand Total: 9,822

Chemo Hats:                              Total for 2021: 426  
Grand Total: 5,193

Again, thank you for all your help
