Presidents Message:

Season Greetings,

The Holidays have not yet arrived as I write this letter; I would like to wish you all a Merry Christmas and Happy New Year. Once again I would like to thank the Christmas committee and Challenge committee for a job well done; it is always exciting to see what everyone does with the challenge. We will be starting a few new things this coming year, back to our fat quarter draw, and I will be doing a Mystery quilt also. Monthly I will hand out instructions for the following month and I am asking that you bring in your completed block for show and share and sign your name in the book. At the end of every meeting I will give a brief demo on the next month's block. I hope everyone will participate and for me this year my goal is to use as much of my own fabric that I can from my stash to see what I can do. I'm sure like

me you bought it because you loved it at the time, so now here is the challenge TO USE IT. UFO will continue so keep working on them unless you do not have any, and I can give you some of mine. In January we will exchange committee folders and meet as a group, I still need chairs for some of the committees and I am sad to say that so far we will not be having a Christmas party or summer picnic as only one person chose that for their committee.

Remember to bring in your scissors and knives that you would like sharpened this month as I will be collecting them. I will have a form available to fill out the number and items, once I have a return date we will either meet in parking lot or I will hand them back at the February meeting depending on the date they are returned.

**See you all in January and Happy Holidays,
Karen**

Hi all:

As we approach 2023, I must correct the total from the November to = 4 from their own stash making our grand total for 2022 to 6517.

We are so overwhelmed with your dedication and amazed each month with the quilts made from their own stash and kits.

With very grateful hearts, we look forward to 2023.
