

Presidents Message:

Quilters,

There is a lot to talk about in this newsletter, there will be NO June or July meeting and August is our scheduled month off. Hopefully by September our world as we know it will be more like what we are accustomed to. There will be no summer picnic due to social distancing and lack of time for signing up and making preparations, it has certainly been a difficult year for all of us. For the last two months we have been having a makeshift pick up and drop off site for our charity work at the Center on our scheduled meeting night from 6-7. Linus, pink ribbon and walker wheelchair committees have been attending, so if you are at all interested in picking up some busy work feel free to stop by. The Christmas stocking committee has a new pattern and Charles and his group have them available. The change is due to a new organization that we will be working with this year and this is their preference as to size and style,

so if you need a pattern please let Charles or my-self know so we can have them available again in June at our monthly pick up. It is hard to believe but it will be that time to send the stockings on their way.

On a more business note, we need a nominating committee for this year. We have two positions that need to be filled, Vice President and Treasurer, they are up for election in November. I know with all the missed meetings it has been difficult to get some of this taken care of, but if you would like to be on the committee please let me know, or better yet if you would like to fill one of the position's please let me know. I know it is difficult to take on such a large responsibility, but there is always someone who is willing to help out if needed. Just think, with all the canceled meetings and programs this year, I am sure Rene would turn over all the contact information and most of next year programs and work- shops would be done. So PLEASE let's get these two positions filled and out of the way.

I sincerely hope that everyone is well and your spirits are good, we can get through this together.

Karen
