

Presidents Message: Karen McMurdo

Hello,

There will be a meeting in March, the center is opening and it will be similar to our previous meetings. Three people to a table and masks must be worn, there will be a sign-in sheet at the door. This is great news; I hope to see many of you there and don't forget to bring your finished UFO #3 so your name can be entered into drawing. I will be pulling another number the first week of March, so we can all stay active and focused on all our left behind treasures. I for one get distracted with a new pattern before I have completed the last and this is why I have so many UFO's.

Well winter has arrived, but at least it is the middle of February, one more month and we should be in the clear. We did have our February outdoor meeting with all the charities in attendance.

Not much more to report other than sell those raffle tickets. Joan has been collecting and handing out more when we have been able to gather. Dru is working on programs but with everything still up in the air we will keep our fingers crossed.

Hope to see you soon,

Karen
