May 2023 Volume 34 #5

Presidents Message:

Hello,

As I write this note we are in the final stages of setting up the quilt show, I am positive it is going to be fabulous. I would like to thank Cheryl Shoemaker for her many hours of preparation and hours on the computer with all of our questions and problems, and her husband for all the extra work he has done and will be doing during the show setup and tear down. Jan Brauer is doing our layout and fine tuning, the committee chairs that have been doing baskets, mystery bags, admissions, judging, food pantry donation boxes, kitchen and boutique and the team of people who go and get the racks and return to storage for us namely Linda Wegrzyn and her husband. (I hope I have not forgotten anyone) as were a large group that lends a hand when needed. Linus will have their pool with scraps and there will be a display of charity work in the lobby to show off some of our good deeds.

Thank you Jayne for covering the April meeting while I was out of town. Mystery block for April was simple and May will be ready to go once we come off our high from the show. Boy it is hard to believe it has been four years since the last show, but as we go through the final days we find that we are catching little details that we have long forgotten. Thank you all for your hard work getting ready for the event, we have had several new chairs and I hope everyone helped them as much as possible and made them feel appreciated as there is so much to do.

Again thank you all for your time and efforts to make the Guild Great,

Karen
