

Presidents Message:

Well by the time we meet again fall will be just about over and all our outside plants will be gone, it's hard to believe the month has gone so quickly. I know for one that it just flew by and I am so not ready for winter. Our Covid numbers are on the rise so we will have to be more careful when we meet in November, so please remember to social distance and wear a mask when we are together. We will be voting this month on Elections and Budget, we still are in need of a Vice President for programs, Rene has done an outstanding job for the last four years and we will use some of the things next year that we were unable to do this past year. I want to thank Joanne Sentmen for stepping up for Treasurer's position; I know Marty will be there to give any advice needed. Marty has been our Treasurer for a long time and I for one appreciate all the time she has spent on our books and budgets over the last four plus years. So once again thank you Marty and Rene for an outstanding job done for the benefit of all of us. This month I will have a few quick

gift ideas to pass along as far as demo goes; I know we all have fabric we can use.

I hope everyone is healthy and I will see you in November,

Karen

Just a reminder the block exchange basket will be up front if anyone would like to turn some in and take some new ones home.

Please use amazon smile when you shop, the guild gets money when we choose Twin City Quilters Guild, so let your family know also.

RAFFLE QUILT

Ladies and Gentlemen:

We hope you all have been healthy and busy these past months and are ready to get back into the "groove".

The Raffle Quilt Committee was also busy. We did as much as possible together but then finished with strategic social distancing.

The quilt will be at the September meeting and every meeting thereafter. We will have the tickets available also. At the meetings we would appreciate it if possible members take a picture of the quilt.

This way you will always have the picture with you when selling tickets. If that's not possible please notify one of the Committee members.

Thanks, stay safe and hope to see you all soon.

Raffle Committee,
