

Presidents Message:

Fall is in the air and our first indoor meeting was held, I think it went fairly well but we just have to remember to social distance, not move chairs and be more aware of masks when up and moving around. The budget will be presented again this month along with nominations for Treasurer and Vice President, if anyone is interested in running please let someone know so we can have a full ballot come November, we are still in need of a Vice President to do programming. Show and Share was great as I would have expected, our committees collected lots of finished items, and as per the minutes from the meeting there will be NO Quilt show in April. For our October meeting I am not sure if we will have the same limits on numbers of who may attend, so please email me again at mcmurdo18@yahoo.com for the time being if you would like to attend. I will check into it when it gets closer to our date but to play it safe we will continue what we did the past month and go from there. Remember to bring your own beverage and snack if you wish and I will see you in October.

Just a reminder the block exchange basket will be up front if anyone would like to turn some in and take some new ones home.

Please use amazon smile when you shop, the guild gets money when we choose Twin City Quilters Guild, so let your family know also.

Keep on Stitching.

Karen

There will be a sale of the remaining items from Pat Newman's garage sale at our October meeting on 10/7. There are books, kits, yardage and fat quarters, all reduced in price. Bring money if interested.

RAFFLE QUILT

Ladies and Gentlemen:

We hope you all have been healthy and busy these past months and are ready to get back into the "groove".

The Raffle Quilt Committee was also busy. We did as much as possible together but then finished with strategic social distancing.

The quilt will be at the September meeting and every meeting thereafter. We will have the tickets available also. At the meetings we would appreciate it if possible members take a picture of the quilt.

This way you will always have the picture with you when selling tickets. If that's not possible please notify one of the Committee members.

Thanks, stay safe and hope to see you all soon.
