

Presidents Message:

Dear Quilters,

BIG NEWS

The Center is opening as of September 1st, so there will be a meeting on Wednesday September 2nd. However there are several restrictions that we need to abide by; the first being that we cannot have more than 50 members present; secondly masks must be worn and a questionnaire must be filled out at the door. When we are moving around the room we must social distance 6 feet, so attendance will be on a first come first serve basis and we will do so by email. So please email me if you are interested in attending (mcmurdo18@yahoo.com) and I will send confirmation as to your ability to attend. We do not want to turn anyone away the night of the meeting and with any luck October will be back to normal or what we think is normal. I am saddened to have to do this, but in order to try to stay on track for the year we must try to stay in compliance. The parking lot charity exchange has had a good turn out this past month and it is always good to see our masked faces.

Sincerely,

Karen

Quilters:

The only member that signed up for September hostess is Cheryl Shoemaker. So if you would like to have a break and snack please bring something in for the meeting.

RAFFLE QUILT

Ladies and Gentlemen:

We hope you all have been healthy and busy these past months and are ready to get back into the "groove".

The Raffle Quilt Committee was also busy. We did as much as possible together but then finished with strategic social distancing.

The quilt will be at the September meeting and every meeting thereafter. We will have the tickets available also. At the meetings we would appreciate it if possible members take a picture of the quilt.

This way you will always have the picture with you when selling tickets. If that's not possible please notify one of the Committee members.

Thanks, stay safe and hope to see you all soon.
